DIRECTIONS TO PARATRANSIT, INC.

From the north take Interstate 5, south to Florin Road, go east on Florin to Woodbine, turn left. Paratransit is on left corner, but park in the church lot on the right just past the open field (Church of God in Christ).

Walk straight across street from the church lot, go through gate (you'll see Paratransit Vans), and turn left. Go up the ramp of first building you see - there will be a sign saying "SB 910 Aging Plan Retreat" in front of the building.
The door will lead into the conference room and to our meeting.
